

## To the designated COVID-19 testing centres

**Subject: Application for a COVID-19 test – Protection of remote regions**

---

Mrs./Mr. \_\_\_\_\_

is a health worker employed by one of the Nunavik health centres—the Ungava Tulattavik Health Centre (UTHC) or the Inuulitsivik Health Centre (IHC)—and is here today for a COVID-19 test.

This test is indicated in accordance with the following priority in the province of Quebec:  
**M18 – Individual without symptoms compatible with COVID-19 for application of the program to control entry to remote regions.**

Presentation of a negative result for a test performed within 96 hours before departure is a prerequisite to all travel to Nunavik.

Thank you for your cooperation.
